

The Adult College for Rural East Sussex offers a wide range of courses for adult learners both in the daytime and in the evening.

Course subjects include:

- Arts and Crafts
- IT
- Digital photography
- Fitness
- Gardening
- GCSE, A 'Level and NVQ courses
- Foreign languages
- Food and drink
- History

And many more...

Courses run in Heathfield, Uckfield, Crowborough, Wadhurst and Hailsham. We can also put on courses for specific groups of people – so if you are part of a group of people who would like a course provided just for you then contact us and we will see what we can do. Reduced fees are available to those on low incomes.

ACRES also offer the Skills for Life courses that will help you get rid of your maths, reading and writing “gremlins”, and these courses are offered free of charge. You can normally join at any time throughout the year.

There are many courses starting throughout the year, so for a copy of the new brochure, call the ACRES team on 01825 761820 or visit [www.acreslearning.org.uk](http://www.acreslearning.org.uk)
